TANZANIA PROJECT

Together, we're changing the future of the next generation in Tanzania! Nearly 1,200 children are attending our two schools or being sponsored in secondary schools. Through your involvement, students receive a Christ-centered education, nutritious food, clean water and a hopeful future. Here are some ways to get involved:

- **Sponsor a primary or secondary student on our new sponsorship webpage.** Students attend our primary school for 7 years, secondary school for 4 years, and hopefully continue on to vocational college or university. We currently have 275 students who need sponsors.
- **Provide a Boarding School Dorm Kit.** Your $100 donation will provide all the items a new secondary student needs to live in a dorm for four years.
- **Donate to our Tanzania College Scholarship Fund.** Your gift is critical to launching a student into a job that will impact their future. If an existing sponsor can't continue or afford the full cost, your one-time or recurring gift can help a student further their education.
- **Visit our schools in Tanzania.** On our Graduation Trip (Nov. 29–Dec. 7), you will see firsthand the power of a good education in the lives of our students, celebrate with those graduating, and visit your student's home.

MEETING NEEDS in our community

SBC recently gave $12,000 from our Elders' Fund to help our ministry partner GoTEN (Go To Every Nation) provide a Learning Center for resettled refugees. GoTEN offers free English classes and Christian community to refugees from countries such as Somalia, Afghanistan and Iraq. SBC YTH and adults volunteer at the Center, sharing Christ's love and providing one-on-one mentoring and assistance. Thank you for your support of this powerful outreach effort.
