And Jesus went throughout all the cities and villages, teaching in their synagogues and proclaiming the gospel of the kingdom and healing every disease and every affliction.

-Matthew 9:35^{ESV}

// The privilege of pastoring Scottsdale Bible Church for so many years has left me with the deepest desire in my soul to see it continue to thrive and be used of God to reach out to our community and bring many more people to faith and growth in Jesus Christ. When Pastor Jamie shared with me the vision and plans for the future of the church I shared with him that I could not be more supportive and thrilled with the possibilities that the new refurbishing of the campus will provide. Holly and I will be giving toward the project and encourage all who call Scottsdale Bible Church their home to do the same. //
