FY15-16 Proposed Budget: \$10.55 Million

This graph shows a \$10.55 proposed budget plus \$2.37 in direct support giving, totaling \$12.9 million in proposed expenditures.

On June 6 and 7, members of Scottsdale Bible Church will be asked to affirm the proposed budget of \$10.55 million for the fiscal year starting July 1, 2015. This budget reflects continued ministry expansion and includes a full year of Mountain Valley Campus. It is a 4.2% increase over this year's estimated actual giving of \$10.1 million, which only included a partial year of Mountain Valley. Our Elder Board unanimously affirmed the proposed budget.

God has richly blessed our church this year with combined giving to the general fund and Compelled by Grace totaling more than \$15 million. You are a generous church with a heart for giving, a propensity to meet needs, and a passion to expand God's kingdom. Your faithful support reflects a commitment to **win** people to faith in Jesus, **build** people as disciples, and **send** them to win and build others in their spheres of influence.

This has truly been a significant year in the life of Scottsdale Bible. By faith, we are realizing the plans God has laid before us to expand our impact and reach those who are disconnected from Him, both here in our city and around the world.
