What About a Year of Generosity? | Proverbs 11:24-25

I. The Generous (vv. 24a, 25)

1. Principle of Increase: Stewardship only increases when sowing increases
2. Principle of Intent: My intention is not for gain, but to honor God
3. Principle of Investment: The harvest is of your righteousness

II. The Greedy (vv. 24b)

"And there is one who withholds what is justly due"

Remember: *"What we keep we lose, and what we give we have!"*

²⁴ There is one who scatters, and yet increases all the more, and there is one who withholds what is justly due, and yet it results only in want. ²⁵ The generous man will be prosperous, and he who waters will himself be watered.
